NOTES TO FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of The Savannah Community Foundation, Inc. have been prepared on the accrual basis; consequently revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

BASIS OF PRESENTATION

The Foundation has adopted Statement of Financial Accounting Standards Number 117 (SFAS No. 117), Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The Foundation has also adopted Statement of Financial Accounting Standards (SFAS) No. 116, Accounting for Contributions Received and Contributions Made. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

USE OF ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

CASH

The Foundation considers all highly liquid investments with a maturity of three months or less at date of acquisition as "cash" for financial statement disclosures. The majority of cash held for the Foundation by brokerage firms is not FDIC insured.

PROPERTY, BUILDINGS, AND EQUIPMENT

Property and equipment are stated at cost with depreciation provided principally by the straight-line method. Generally estimated useful lives for depreciation purposes are 3 to 7 years. Depreciation and amortization expense for the years ended June 30, 2005 and 2004 were \$4,816 and \$7,850, respectively.
